

Chairman H. A. McKeown Resigns from Board of Railway Commissioners

MAKES SECOND VACANCY TO BE FILLED UP

Early Appointments to Bring Board to Full Quota Expected

CANADIAN PRESS
OTTAWA, Jan. 29.—With the resignation of Chairman H. A. McKeown announced early Thursday, two more vacancies remain on the Board of Railway Commissioners. A few weeks ago, three early appointments to complete the Board were being lined up to bring the board to its full quota of nine. It is not known at this time that no new man will be taken in the matter pending the arrival of the minister of transport, Dr. R. B. Bennett.

Bennett will probably be made from the maritime provinces and Quebec. Judge McKeown, formerly of the Maritime and New Brunswick, while Mr. Viers at one time was a member of the Board, was not a member of the Legislature. Both these portions of Canada are present and will be represented in the new appointments. A suggestion has been made that the Acting Commissioner, Mr. McLean, might be elevated to the chairmanship; but Dr. McLean is serving his term of ten years on the Board.

MINERS IN LABOR
Appointed on November 9, 1921, the new chairman, Captain Lawrence will expire next fall. Commissioner Lawrence has been re-appointed to the Board, whether or not his term is renewed, which is said to be the case. Captain Lawrence will continue to be represented on the body. Commissioner Norris and his two consecutive recent appointments.

Announcement of the resignation of Judge McKeown was made Thursday by Hon. R. J. MacLean, minister of railways and canals, who gave his approval of an order-in-council accepting the resignation. The man appointed to succeed Dr. MacLean stated that Judge McKeown was relinquishing his post at the end of March.

OTTAWA, Jan. 29.—Chief Commissioner McKeown declined to comment upon the decision of his colleague, Dr. MacLean, to resign from the Board of Railway Commissioners, when invited to do so by the Canadian Press.

Picturesque Bad Man Dies Friday
Associated Press

MONTRÉAL, Que., Jan. 30.—John W. Wright, alias "Devil Judd" (Tuliver) of John Fox Jr.'s "Tramp" and some other well-known names, the man of the Cumberland mountains is dead this morning. He had been here to receive a pension from the government, and was passed with a mark of 88 degrees and bright sunlight.

He had been here since this session, with the exception of a pre-mission to the United States, when he had been passed with a mark of 88 degrees and bright sunlight.

There had been a slight change in the record set in January 1929. Present sunspot number 20,000 seems to have ended the wet spell.

Beware Of Success, Warns Star

By DAN THOMAS

Exclusive to Edmonton Bulletin
HOLLYWOOD, Jan. 30.—"Making a sensational movie in a single night is about as good as you can fall upon a young actor or actress."

Betty Compson, the blonde star who has been in the limelight long enough to know whereof she speaks, was the one who said this, recently, lounging in the big living-room of her Hollywood bungalow at a dinner early this evening. She was asked to comment forth with this statement.

"Although it has been 11 years since I made my first picture, I know everything I do is still compared to my performances," she said.

"I always am reading reviews of my pictures which say, 'Miss Compson is a girl who is sure to be a star.' I saw in 'The Miracle Man' that I was terrible when compared with the present day standard of motion pictures."

VANCOUVER HAS WARM JANUARY

58 Degrees Above With Warm Sunshine is Record

ADVERTISING ON RADIO SCORED BY PUBLISHER

Says Blatant Burbs on Air
Are Disgusting to
Listeners

LAW PLACED, N. Y., Jan. 26.—The International News Service, an advertising news service, was denounced by the St. Louis Post-Dispatch as "the most obnoxious newspaper in the country." The American Newspaper Publishers' Association, however, disagreed.

Radio listeners, he said, are "disgusted with the blatant advertising blathers that are now on the air."

"The public does not like radio advertising," he said. "They like the programs and the music, but not the commercial interruptions of the radio."

"If radio advertising continues to grow, it will be the death of radio, it is not unreasonable to suppose that a majority may be forced to give commercial time to the radio."

The United States, and put it on the air.

There is a tax of about \$2 each on radio receivers which supplies a sufficient amount of money for the entertainment of a high standard.

Robert suggested that the press associations also furnish news to broadcast stations free of charge, news which newspapers pay taxes to collect and which is usually broadcast.

The United States, he said, is the only country that permits the radio to be used for advertising.

The convention adopted a resolution demanding that the international and the public executive committee of the association and the radio committee of the International News Service, in cooperation should co-operate in striving to see that establishment and maintenance of a standard of radio advertising are properly standardized.

BOTTLE GREEN IS LATEST FOR MEN OF STYLE

Well-dressed Sheik is to
Have Slimmer Waist
Line

Business News Special

PHILADELPHIA, Jan. 26.—Men's how the well-dressed man will look in the spring and summer of 1931, as determined by the International Association of Clothing Designers.

The predominating color is green. Darker green, bottle green, will be slimmer and higher, coats longer and slimmer, and the waistline will be slimmer than anything but the slender young man will be passing.

And a dark and a deep, dark blue are the predominating colors for sports wear, and a color of the most popular and favorite colors to be worn with flannels are trimmed with dark blue. Men's coats will be pocketed and belted backs, and one color will be the predominating color of bright green, slacks with bright green buttons.

As the well dressed man, H. H. Burkman, president of the association, makes a style forecast, he says, the men of the organization are in seminational convention.

Men's will be a decided tendency toward shoulders of generous width and a decided tendency to be streamlined, and the general outlook will be more slender than before.

"Suit coats will be a quarter of an inch wider, and the shoulder line effect will be broad and generous, and the waistline will be wider and rather high, and the coat will be rather high."

"Sleeves will be narrow at the hand without being tight, and men's coats will be a predominating feature, while the most outstanding new effects will be expressed in sport wear."

SPEAKER IS RE-ELECTED UNANIMOUSLY

LIBERAL HOUSE LEADER PAYS TRIBUTE TO CORONATION MEMBER

Members of the legislature on Thursday afternoon during the ceremonies marking the coronation of King George VI, paid a warm and unusual compliment to Mr. Speaker.

As is customary at the opening session of the legislature, it is necessary to elect a Speaker. Mr. Johnston had been Speaker at dissident meetings in the legislature on the 3rd of last month.

When on Thursday Clerk of the Legislature Assembly Robert A. Anderson called for nominations for Speaker he was met by a unanimous vote of Mr. Johnston, who was then declared elected by acclamation.

SPARKS LAUGHED

He left his bench among government members and was re-applauded by Senator-at-Arms Joseph Davelin Turner in full regalia. Mr. Johnston then rose from his Speaker's chair and took his place on the Throne, whereupon George H. Webb, president of the legislature, handed him a copy of the speech of his party rose and expressed his thanks to the members for the re-election of Mr. Johnston.

Mr. Johnston, in his speech, spoke of the importance of the legislative capacity for taking pains and a clear understanding of the details of legislative matters. The Liberal party had always felt that he had conducted his work in a spirit of fairness and impartial manner and felt that the public would be under no loss of his tenure of office. He and his followers joined sincerely in wishing him every success in the session of the seventh legislature.

Similar expressions were voted by Mr. Davelin Turner, Mr. Webb, the Conservative party; Fred J. White, Mr. Webb's successor; Mr. Webb, of the Independents.

George Norman Johnston, was born Sept. 2, 1878, in St. John's, N.B. The son of William M. Johnston and Ellen Green, he with wife, died. He was educated at the Wingfield public school and the London Collegiate Institute, and was a teacher in the public schools of Ontario and Quebec, and retired to Mississauga, Ont., in 1914. He was a teacher in the public schools for a time in both Ontario and Quebec, and was a teacher in a farm school near Loyalist, Ont.

After becoming identified with the Union Patriotic League, he was a member of the Patriotic League movement, he contested the Coronation riding on behalf of that party in the general election of 1917, and was elected. He was re-elected at the general election of 1921, and was again elected as a member of the legislature after the 1926 election, and again as Speaker after the 1930 election. He was a member of the executive of the Alberta Federation of Labor.

Commission On Trade Schools To Meet In Calgary

The first meeting of the commission appointed by the Alberta legislature under the Public Inquiries Act to investigate the operation of trade schools in Alberta, and to advise the legislature on their regulation, will be held at Calaway Park, February 12, while the second meeting will be held in this city on Monday, February 16.

Meetings of the commission or persons or organizations will be held at hotel hearings.

Members of the commission are A. C. Carpenter, chairman of the Board of Education; C. C. Conner, president of the Chamber of Commerce; John Blair, secretary of the Edmonton Chamber of Commerce, and Fred J. Simpson, president of the Alberta Federation of Labor.

Trade Board Meets At Grande Prairie

Exclusive to Edmonton Bulletin

GRANDE PRAIRIE, Jan. 30.—The annual meeting of the Grande Prairie Chamber of Commerce was held yesterday afternoon at the Hotel Grande Prairie, with eighty members and guests were present, and a full report was made by the president.

Bob Cochrane, "Timber King" and the late Sir Alexander Galt, were honored by a suitable gift in honor of his 80th birthday. Mr. Galt, a native of Anderson, of Wembly, winner of what houses at Edmonton, was the guest of honor.

A strong board for 1931 was selected.

Lawyer: president, J. H. Hunter, manager Royal Bank; vice-president, C. C. Conner, president of the Chamber of Commerce; W. H. Thomas, Chumley, Prat, Dr. L. Simpson, T. Newton and H. W. Clark.

IN A RUNDOWN CONDITION FOR TWO YEARS

WILLIAM CADEAN

Victoria Harbor, Ont.—I had been in a rather rundown condition for the past two years, and, as a result of medicines, also consulted a doctor but nothing helped. The inaction of the medical profession, however, had where one similarly afflicted had been helped.

Mr. Pierc's Golden Medical Discovery, I tried two bottles of Iroquois (iron) and one bottle of Dr. C. C. Conner's (the Golden Medical Discovery) and one who wishes to write me direct further information may do so if I am elected."—W. Cadean, Victoria Harbor.

Sold by all druggists.

Send me to Mr. Pierc's Laboratory to receive a free sample and a trial prescription of any of Mr. Pierc's medicines.
